Release Of Information: Terms and Conditions to Carmen's Driving School Policy

I certify that the statements in this document are accurate and consent to the release of any information contained herein to the Ministry of Transportation, Insurance Bureau of Canada and the MTO Course Inspector.

Ministry of Transportation no longer issues paper certificates. Carmen's Driving School graduates must request for a copy of the driver's license history (DLH) from any Service Ontario office. The DLH provides proof of successful completion and graduation from our beginner driver education (BDE) course and BDE graduates with a DLH maybe eligible for an insurance discount, and for a 4-month time reduction at the G1 level road test. Service Ontario will charge a \$12 fee for a copy of the DLH.

Carmen's Driving School will not grant certification to any student who have not successfully completed a minimum of 20 hours of In-Class sessions, a minimum of 10 hours of In-Vehicle training, and the student workbook. Students who have missed any In-Class or In-Vehicle session must make it up at a later time. Where a student does not complete our Ministry-Approved BDE Course within 12 months of the course start date, all hours purchased and fees paid will be considered invalid and it will not be paid back to you.

Please be advised that a \$20 fee will be charged for lost or stolen workbooks, and a \$40 fee will be charged for any in-Vehicle cancellation that is less than 24 hours notice, or a no show. A \$20 fee will be charged for NSF, or dishonoured cheques.

I have read and agreed to the terms and conditions on this form.
